

### What do you need to bring to your interview?

- What we are looking for is that you have an interest in art or that you are a creative thinker.
- You do not need to have much previous experience.
- If you have any of what is described below, please bring it with you for interview.

---

## **Creativity can be displayed in so many different ways!**

---

You may practice your creativity through the following means and you may have:

- Drawings
- Paintings, Collages or Prints
- Photographic Works
- Graphics Design or Illustrations
- Technical Drawings or Tech. Graphics
- Sculptures
- Ceramics

Or you may use technology in a creative way, making:

- Animations
- Videos
- Websites & other screen-based work
- iPad drawings

Or alternatively, for example; you may have:

- Designed and made your own clothes (bring photos)
- Worked on the set of a school play (bring photos)
- Woodworking projects (bring photos)
- Models (bring photos)
- Lego Masterpieces (bring photos)
- Cakes that you made and decorated! (bring photos)

If you have other creative work which does not feature on the list, feel free to bring it.

If you have notebooks bring these too.

---

**We are looking for people with commitment and who have an interest in learning and exploring**
